SEMINARS**
Coronado Bay, California

July 27-28

2010 Anti-Drug & Alcohol Misuse Seminar

FINAL AGENDA

Note from RAA

Anti-Drug & Alcohol Misuse Seminar attendees are welcome to attend the Human Resources Seminar session on HIMS that will be held the morning of July 27. Please consult that seminar agenda for the HIMS session start time.

Lanyards sponsored by Wings Financial

Tuesday— Sovereign

1:30 Introductions & Opening Comments – Dr. Donna Smith, FirstLab, Liam Connolly & Scott Foose, RAA

Attendees will introduce themselves and share a few interesting facts about their organization.

2:00 Session 1 - Overview of DOT Part 40 NPRM Feb 4 2010

Session will focus on Part 40 NPRM and how proposed changes to Part 40 will affect employers' anti-drug and alcohol misuse prevention programs.

3:30 Networking Break

4:00 Session 2- Refusals to Test, No Test, Not Reported, and Other “Atypical” Test Result Outcomes

Session will explain employer-determined refusals to test, when test results are identified as Not Reported, documentation of “lost specimens” and other No Tests, re-designation of DOT and non-DOT tests, and the documentation for each circumstance.

5:00 Day One Adjourns

Dinner on Own

Wednesday

8:00 Coffee and Muffins

8:30 Session 3 – FAA Drug Abatement Division Update

Andrew Monetti, Manager at the FAA’s Western Compliance and Enforcement Center will discuss program audit findings, trends, common violations, best practices, and the agency’s definitions of negative drug test result documentation requirements and web-enabled results retrieval.

9:30 Networking Break

10:00 Session 4 – IATA Operational Safety Audit (IOSA) program—Psychoactive Substances

Review of IOSA checklist for audits of carriers’ policy/program on use of psychoactive substances. Session will include summary of RAA members’ experiences with IOSA audits and recommended policy language/approaches for meeting IOSA standards.

11:00 Session 5 – A Look at the Data

Session will present data on U.S. workplace drug testing (Quest Diagnostics Index), FAA data, and FirstLab’s data for RAA members’ programs.

12:00 Closing Comments / Seminar Adjourns

This is a business casual event
