

RAA FLIGHT TRAINING FORUM

Thursday, May 19

8:30 a.m. – 12:45 p.m.

Location: Room 201, Nashville Convention Center (Please confirm location on the event program)

RAA Staff: Scott Foose

Overview

All convention attendees are invited to attend the Regional Airline Association (RAA) Flight Training Forum. This venue provides an opportunity for all convention attendees to receive briefings from the industry's pilot training leaders and regulators on the most pressing issues. Facilitated by RAA's Flight Training Committee co-chairman, attendees will have the opportunity to network, share information and best practices, and to receive the latest information about emerging regulations.

Who Should Attend

This session is open to all convention attendees and exhibitors.

Agenda

8:30 Welcome & Introductions

Randy Hamilton, Compass Airlines, Chair & Paul Preidecker, Air Wisconsin, Chair-Elect

8:45 Exhibitor Introductions

9:00 Pilot Supply

As a follow-up to discussions begun at RATS 2011 concerning Pilot Supply, this session provides an opportunity to continue to drill down into this critical issue and ask questions concerning recruiting safe, professional, reliable pilots. We will also review the outcome of the RAA breakout sessions at the Regional Airline Training Symposium, identify key issues discussed, and identify any actions the Flight Training Committee should take. This discussion may include but is not limited to: career guidance for student pilots, essential knowledge and skill levels of applicants, how academies and universities are encouraging advanced training and regional airline careers.
