

RAA MAINTENANCE FORUM

Tuesday, May 17

8:00 a.m. – 11:00 a.m.

Location: Room 204, Nashville Convention Center (Please confirm location on the event program)

RAA Staff: Connie Arnold

Session Overview

The agenda for this forum covers a wide range of key issues of great interest in the field of aircraft maintenance providers from air carriers to suppliers to MRO organizations. The session will feature presentations and discussions about the latest Federal Aviation Administration rulemaking activities and exemptions, as well as regulatory guidance for airworthiness directives.

Who Should Attend

This session is open to all convention attendees and exhibitors.
