36th Annual RAA Convention

May 16 – 19, 2011
Nashville, TN

With more than half the scheduled flights and one out of every four airline passengers, regional airlines provide the only scheduled service to nearly 75 percent of the nation's airports. Tap into this growing market at the RAA Annual Convention – the only place where the industry's decision-makers, buyers and sellers all gather.

Your are invited to join the nearly 1,200 attendees expected at the 36th Annual RAA Convention in Nashville, May 16-19, 2011. The four-day event is packed with enormous networking opportunities in social venues as well as working sessions, seminars and extended exhibit hall hours.

National Appeal, Southern Hospitality

■ The four-day event is kicked off with a sponsored golf tournament and sets the stage for numerous general sessions, committee meetings, a full media briefing schedule and an exhibit hall boasting hundreds of product and services displays.

■ Located in the heart of Tennessee, Nashville's Convention Center is conveniently located to first-class hotels, good eats and great views and walking distance to honky tonks and historical landmarks.

■ Plan on attending the annual Purchasing Forum on May 19 where a unique opportunity is available to meet face-to-face with airline purchasing personnel and exhibitors ready to do business.
