

## **Eric Morgan- Biography**

### **President and CEO, Piedmont Airlines**

Eric Morgan is President and CEO of Piedmont Airlines. In his span of care he oversees the premier Embraer-145, American Eagle regional carrier which provides service, either on the ground or in the air, to more than 80 airports and communities throughout the U.S. Piedmont employs over 9,000 aviation professionals, providing ground handling, air service and connecting opportunities in American's hubs for customers from more than 60 communities across the country.

Eric began his career as a Customer Service Agent and prior to his current role, he served as Senior Vice President of Piedmont Ground Handling (PGH). Eric has more than 40 years of airline experience and has worked, managed, and taught in numerous roles during his tenure in the industry. Since 1981 he has successfully led and grown numerous teams through four mergers and two bankruptcies. Under his leadership the Piedmont team continues to deliver excellent performance while seeking to create opportunities for team members and add greater value for American Airlines.
