

FLAVIO GREGORIO
General Manager Regional Aircraft Engines and Services
GE Aerospace

Flavio Gregorio is the General Manager for CF34 and CT7 Commercial Engines and Services at GE Aerospace. In this role, he is responsible for the all aspects of new make products and aftermarket services related to GE Aerospace's Regional aircraft engines portfolio.

In 2020, Flavio joined GE Aerospace as part the Accelerated Leadership Program, where he served for one year as a Product Manager on RISE. He was then promoted to Director, Office of the CEO where he supported the GE Aerospace leadership team on strategic initiatives.

Prior to joining GE, Flavio was a strategy consultant at Bain & Co. in Chicago, where he worked with clients across Industrials, Healthcare, Technology and Financial Services on topics spanning M&A, post-merger integration, process improvement, culture transformation, and strategic planning. After Bain, Flavio was a member of the Investment team at AEA Investors, a private equity fund based out of New York.

Flavio has a BBA in Finance from the University of Notre Dame and an MBA from Harvard Business School.
